## You Should Be Drinking Chilled Red Wine This Summer

Here are 14 bottles to try this season, as recommended by our editors

BY AMANDA GABRIELE | May 23, 2024 6:18 am

Welcome to the [InsideHook Guide to Summer](#), a collection of recommendations on everything worth doing, drinking, eating, watching and otherwise enjoying between now and Labor Day. Don't forget the sunscreen.

Zenato Valpolicella Superiore 2020

Zenato

### Zenato Valpolicella Superiore 2020

Another red from Valpolicella, this is a blend of Corvina Veronese, rondinella and a touch of corvinone. It's full of juicy red and black fruit notes, and one taster commented on its elegance, saying it "would be great alone or with food." One even mentioned that it would pair perfectly with [pasta Bolognese](#).
