...is easy...» It is not known whether the Gershwins were big fans of rosé, but their song is nevertheless the perfect soundtrack for the third wine color. Light, lively - but with a certain depth. The tasting at the competition was pretty much exactly that for all participants. A small feast for the senses with a rich background.

Zenato

2023 to 2026

Light salmon pink. Rose hip, red fruits, herbal notes, dried peach. Elderflower. Juicy on the palate, full of tension, fennel herb, delicate, the acidity is well integrated and leads the development. Has a bit of everything, appropriately complex. Very balanced. Can still improve.
