A Night in Via Monte Napoleone Milan

Lights are on and excitement is in the air. Narrow streets leading towards the main street, via Monte Napoleone, offer a twinkling atmosphere that inflames the night. People walk around wearing flattering dresses and precious jewellery.

The most luxurious boutiques welcome their guests with outstanding wines from the finest wineries. This is the night in which wine embodies fashion and glamour for an unforgettable evening!

Get excited for 'La Vendemmia di via Monte Napoleone' the most fashionable wine event in Milan. On 5th October, I had the pleasure of attending the event and tasting amazing wines at some of the most iconic fashion boutiques.

Here is a selection of the wines tasted during the evening.

Alberta Ferretti – Zenato Lugana Metodo Classico Brut

The exquisite taste and the feminine look of Alberta Ferretti's creations were experienced with the magnificent wines from Zenato winery for an unparalleled combination. Particularly, the Lugana DOC Metodo Classico Brut, made from 100% Trebbiano di Lugana grapes, has stood out for its excellent quality and lingering bubbles that allows enchanting notes of citrus and peach to exhale, while on the palate it offers bread crust aromas and pleasant creaminess.
